Guidelines For Diploma in Software Engineering FYP 1 Progress Presentation

1. Standardise of FYP progress presentation slide

Total time allocated = 30 minutes
Presentation & Demonstration = 20 min
Q & A = 10 min

- Front slide (Project Title/Trade/Year/Group code/Student & supervisor name)
- Problem statements
- Project objectives
- UML Diagram (UCD only)
- Project Flowchart
- Project Comparation (must compare with 2 other project)
- Project mockup (example UI proposed)

2. Standardise of FYP Report

Frontpage : Follow GMI FYP Handbook
Chapter 1 : Introduction
- 1.1 Project background
- 1.2 Problem Statement
- 1.3 Project Objective

Chapter 2 : Literature Review
- 2.1 Feasibility Studies

Chapter 3 : Project Methodology
- 3.1 Principal of Operation
  - 3.1.1 SDLC Process
  - 3.1.2 Use Case Diagram
  - 3.1.3 Use Case Specification
- 3.2 Project Specification
  - 3.2.1 Software Specification
  - 3.2.2 Hardware Specification
- 3.3 Project Feature

Chapter 4 : Testing Methodoloy
- 4.1 Testing Model
- 4.2 Testing Tools

Chapter 5 : Conclusion
